# TV SPORTS FOOTBALL

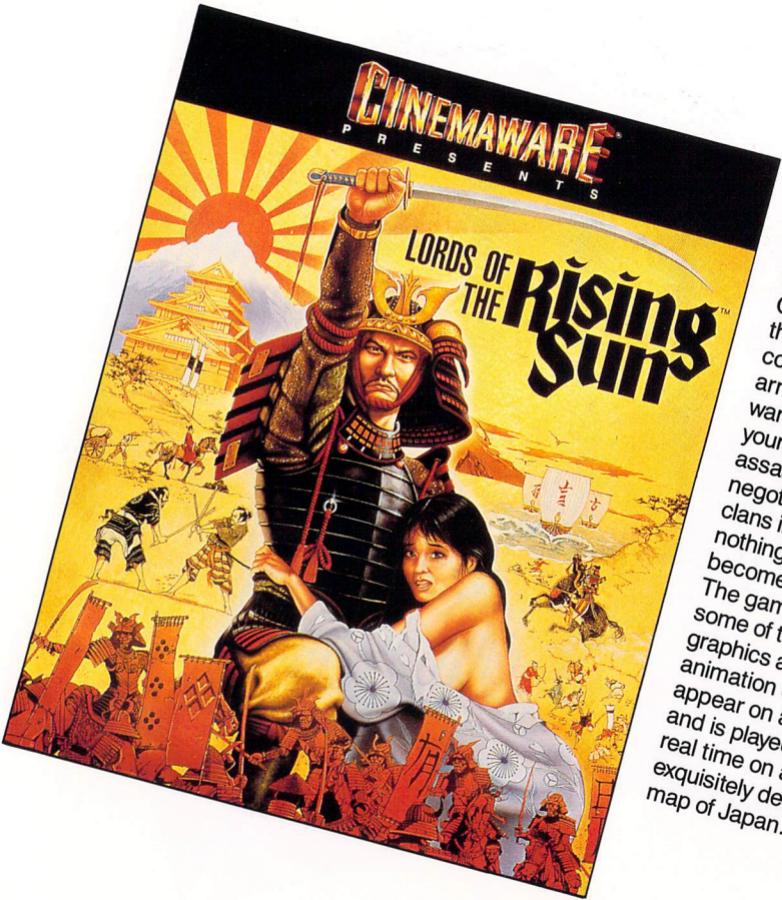

At last, a pro football simulation that looks exactly like what you see on the networks! TV SPORTS: Football features incredibly lifelike graphics and the best animation ever to appear in computer sports; real arcade action on both offense and defense; individual and team statistics; and a 16 game, 28 team, schedule with post season playoffs. Included also are the following TV SPORTS exclusives: Broadcasters, cheerleaders, fans in the stands and a halftime show, including a marching band!

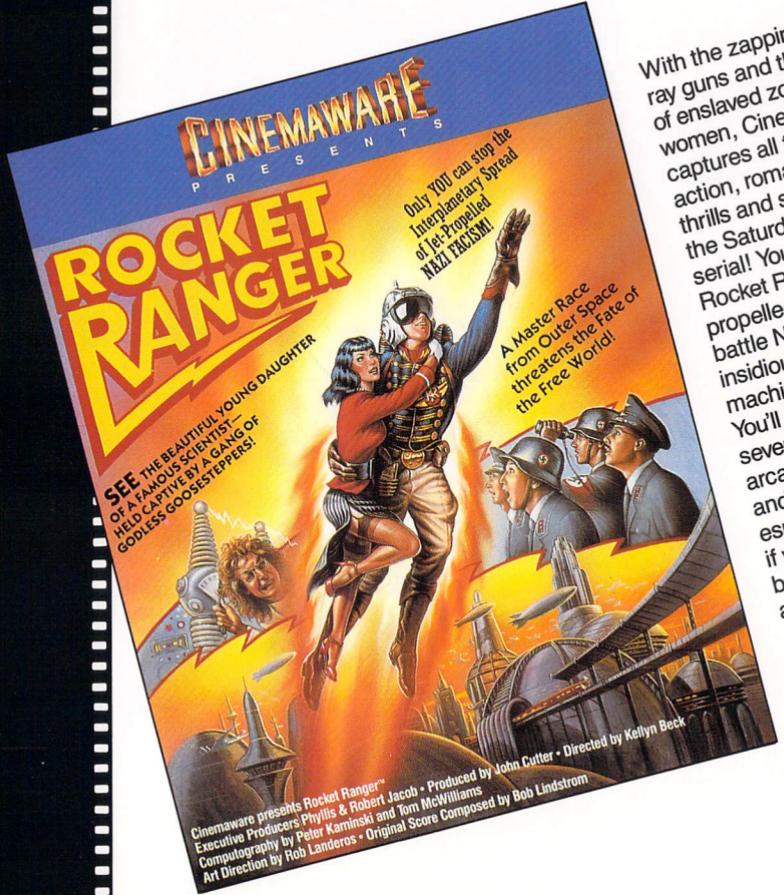

Become Dancis Frake, swashbuckling space pirate, in this epic quest to find the fabled lost Kristal of Konos and return it to its rightful resting place. You'll battle ruthless villains, woo a beautiful princess, and interact with strange, alien life forms. The Kristal displays incredibly lifelike animation and gorgeous graphics. This multi-disk role-playing universe features an interrogative parser and real-time action. Fiendish puzzles, brilliant character interaction, and amazing arcade-style sequences combine to provide the ultimate challenge to all of your game-playing skills.

Slip into twelfth century Japan and become the lead character in a far east Arthurian epic as Cinemaware reinvents the wargame! You'll command huge armies of samurai warriors; defend yourself against ninja assassins; and negotiate with other clans in an all or nothing attempt to become Shogun. The game features some of the greatest graphics and animation ever to appear on a computer and is played in real time on an exquisitely detailed map of Japan.

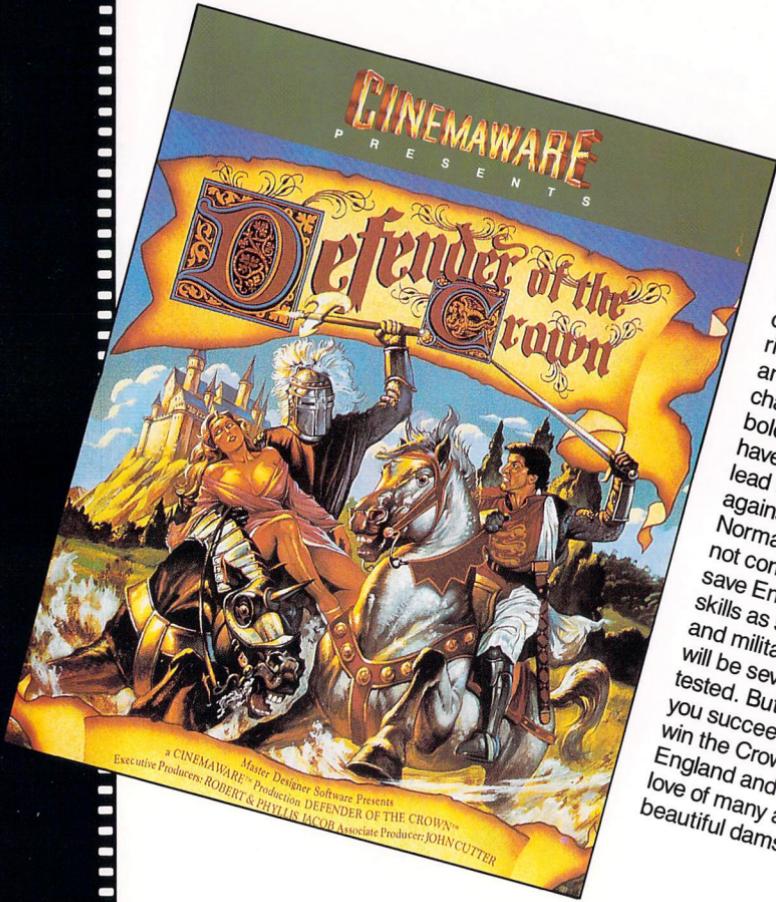

With the zapping of ray guns and the cries of enslaved zombie women, Cinemaware captures all the action, romance, thrills and spills of the Saturday matinee serial! You become Rocket Ranger, a jet propelled hero, and battle Nazis and their insidious mind control machines...in 1940! You'll have to master seven challenging arcade sequences and a strategic espionage game, if you're to save the beautiful Jane from a fate worse than death! You'll thrill to the digitized speech and sound effects (most versions) and incredible graphics and music.

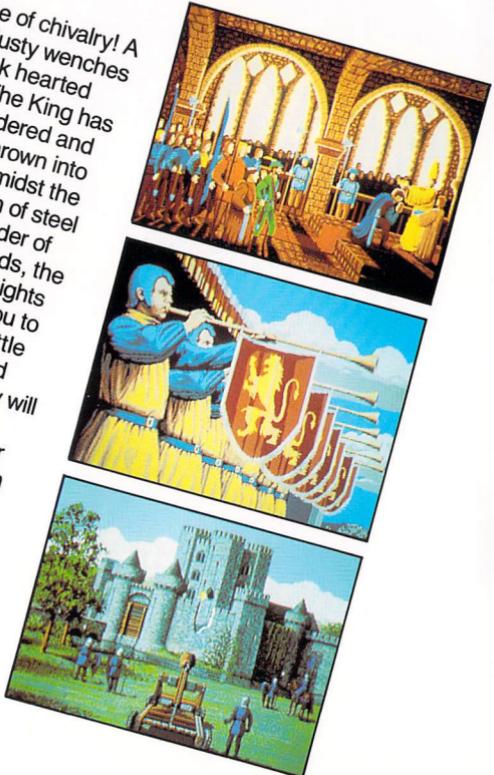

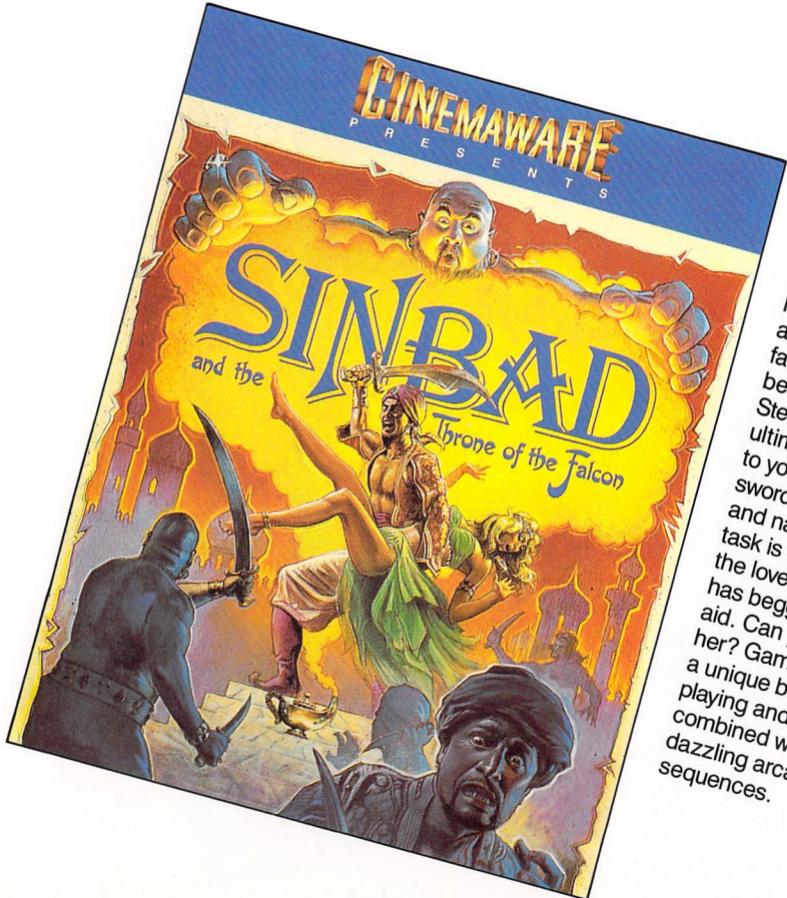

Moe, Larry & Curly starring in their own Cinemaware Interactive Movie? Why soitanly! Nyuk. Nyuk. Nyuk. Join these zany masters of mirth as they try to save an old lady and her 3 beautiful daughters from the clutches of an evil banker. You'll love the eyepopping graphics and animation and be amazed by the voices digitized from their classic films (most versions). We've even included a Stooges trivia quiz and surprises galore. You'll agree that this Computer Comedy Classic will provide hours of fun for the whole family!

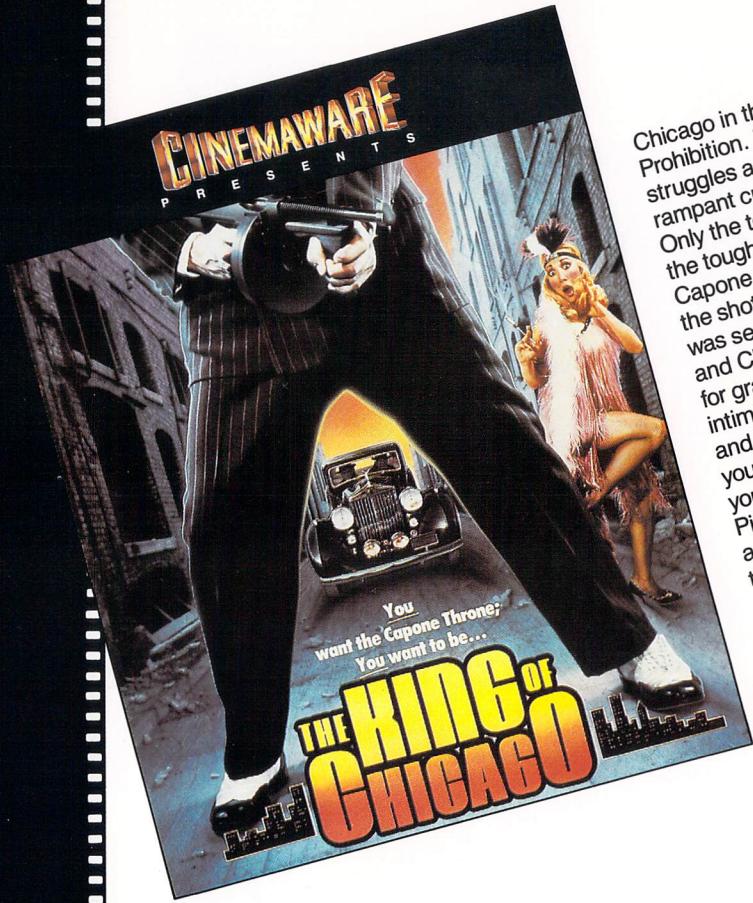

The age of chivalry! A time of lusty wenches and black hearted villains. The King has been murdered and England thrown into civil war! Amidst the ringing clash of steel and the thunder of charging steeds, the bold Saxon knights have chosen you to lead them in battle against the hated Normans. Victory will not come easy. To save England, your skills as swordsman and military leader will be severely tested. But should you succeed, you'll win the Crown of England and the love of many a beautiful damsel!

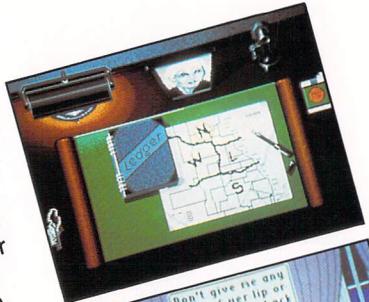

You are Sinbad the Sailor, battling dark and mysterious forces in an epic seafaring quest. Get ready for pirates and genies, romance and heartbreak, comedy and tragedy, set in a fantastic universe that begs to be explored. Steel yourself for the ultimate challenge to your skills as swordsman, leader and navigator. The task is formidable, but the lovely princess has begged for your aid. Can you deny her? Game features a unique blend of role playing and strategy, combined with dazzling arcade-style sequences.

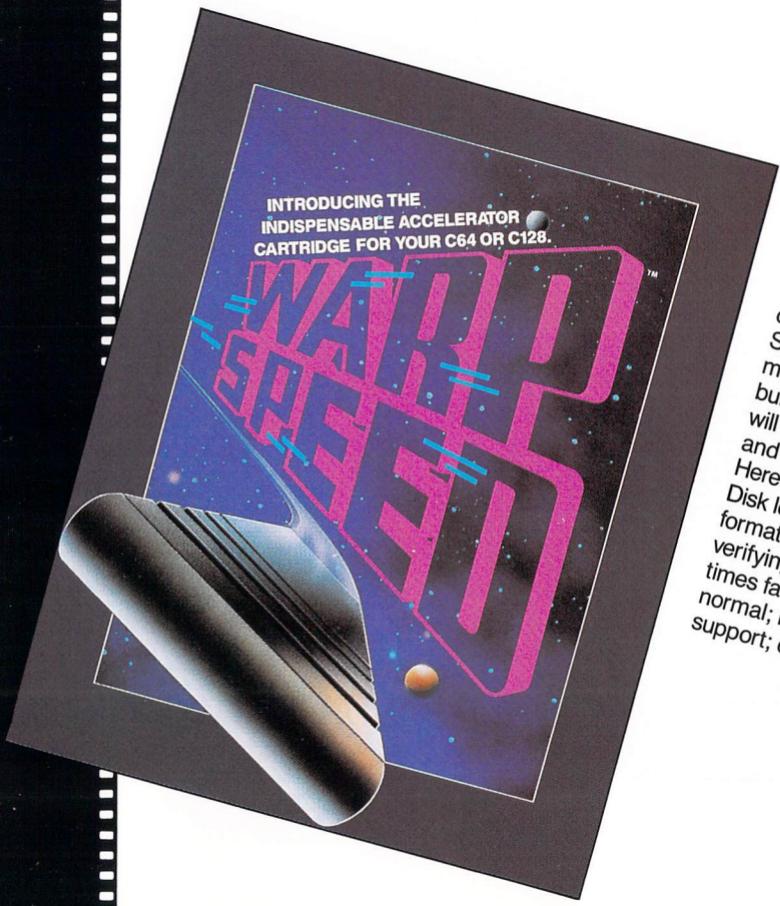

Chicago in the '30s. Prohibition. Power struggles and rampant crime. Only the toughest of the tough survive. Capone used to call the shots. But Big Al was sent up the river and Chicago is up for grabs. Violence, intimidation, bribery and treachery are your weapons as you play the role of Pinky Callahan, an ambitious hood on the make. You'll lead against the forces of the legendary Capone mob in a deadly battle for control of the Windy City. Recommended for mature audiences.

It is the year 2017. Ruthless KGB fanatics have just staged a coup d'état inside the Soviet Union. As Sloan McCormick, young general assigned to implement the S.D.I. project, only you can save the United States from thermonuclear destruction. Will you succeed in rescuing Natalya, the beautiful Soviet commander, from a dreaded KGB torture squad? Will Sloan, single-handedly, destroy a crack Soviet rocket fighter squadron? Pick up a joystick and find out in S.D.I.!

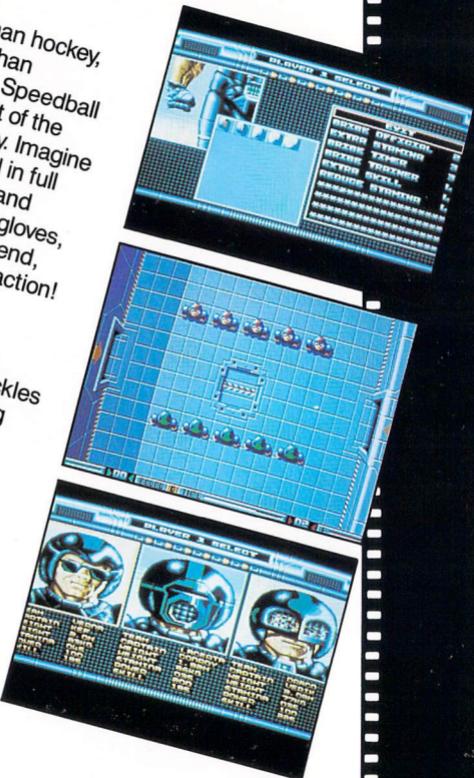

An incredible accelerator cartridge for the Commodore 64 and 128. Only Warp Speed transforms Commodores into fast, user friendly computers. Warp Speed contains many exclusive, built-in features that will excite both casual and advanced users. Here are just a few: Disk loading, saving, formatting and verifying up to ten times faster than normal; multi-drive support; copies

disks in as little as 35 seconds; fast file copier; extended DOS wedge; built-in ML monitor, sector editor and mini-assembler; supports the C64 and C128 in both 40 and 80 column mode; and has built-in reset and mode select switches too!

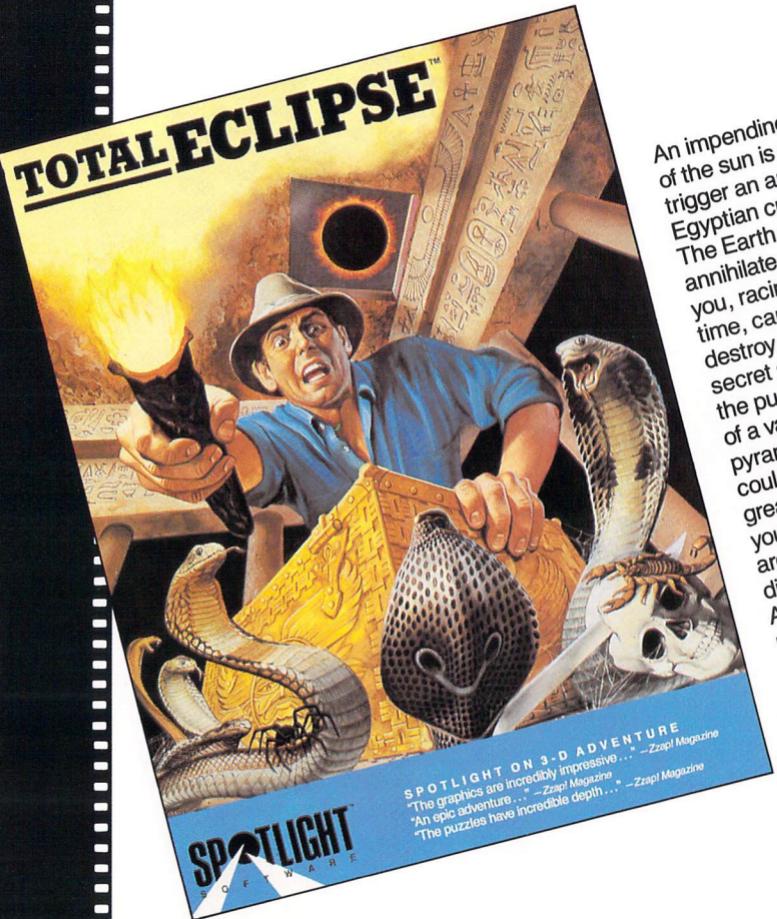

Faster than hockey, meaner than wrestling, Speedball is the sport of the 21st century. Imagine players, clad in full body armor and spiked metal gloves, in wild end-to-end, hand-to-hand action! Speedball is a total free-for-all as you dodge neck-breaking tackles and bone-crushing body slams to pass a solid steel ball toward your opponent's goal. More than just the ultimate challenge to your arcade skills, Speedball features an 11-team league and a host of strategic options... including cheating!
